SUBJECT: 2022 Privacy Assessment Survey

As stated in the July 19, 2022 memo regarding the [2022 Annual Technology Certification Requirements](#), the Office of Privacy and Data Protection is required to conduct an annual privacy review under RCW 43.105.369. This review provides policymakers with a valuable snapshot of practices, progress, and risks regarding the use and protection of personal information entrusted to state agencies by Washingtonians.

You can access the survey link [here](#). This is Part 4 of our annual technology certification work, and is due to the Office of Privacy and Data Protection by Sept. 30, 2022. Please ensure you complete the assessment as it is a mandatory part of the certification requirements.

The Office of Privacy and Data Protection will host a virtual meeting to walk through and answer questions about the 2022 Privacy Assessment Survey on **Thurs., Aug. 18, 2022, from 10:00 a.m. to 10:30 a.m.** An email with the virtual meeting link will be sent separately.

If you have any questions concerning the privacy assessment reporting, please contact Katy Ruckle at 360-407-9013 or privacy@watech.wa.gov.

Thank you for your attention to this matter.
